

ARACHNIS

vs.

MAFF

INTRODUCTION

Arachnis and maff are the two most dangerous assassins in the world. Arachnis was part of a science experiment called "Human Spider" to make a sort of real life spider man. He is a martial arts master and his sensee was killed by maff, the master gun handler. Maff is now after arachnis to claim the ultimate bounty, and Arachnis is trying to avenge his sensee.

Special Introduction:

I realize that my old faded pictures and scraggly handwriting are hard to read, so I will rewrite this page.
